WPP Petroleum (Shanghai) Ltd.

Why do you choose us:

- ✓ Worldwide Presence
- Valued Partnership
- Orders Consolidation
- Strict Quality Control System
- Efficient Logistical Network

Worldwide Presence

- WPP is headquartered in Shanghai, the heart of the commercial exchanges in China.
- We also have a dynamic global team established around the globe to provide the best service to our clients.
- In addition to our Offices in France (Paris & Caissargues), USA (Houston, TX & Rancho Santa Margarita, CA), South Africa (Cape Town & Johannesburg) and Angola (Luanda), you can also count on our Sales Representatives in Western Africa (Cameroon, Congo & Gabon) and Algeria (Algiers).

WP Petroleum (Shanghai) Ltd.

Why do you choose us:

- Worldwide Presence
- ✓ Valued Partnership
- Orders Consolidation
- Strict Quality Control System
- Efficient Logistical Network

Valued Partnership

- WPP has taken participations and established long term strategic partnerships with selected major steel pipe, valves, flanges and fittings manufacturers in China.
- The result is premium products, surpassing expectations in terms of price, quality and service to our clients.

WP Petroleum (Shanghai) Ltd.

Why do you choose us:

Worldwide Presence

Valued Partnership

✓ Orders Consolidation

Strict Quality Control System

Efficient Logistical Network

Orders Consolidation

- Through our different lines of products, we can provide turn-key solutions and offer the best packages for each customer's specific needs.
- Instead of dealing with numerous suppliers for your purchasing, WPP can be your only supplier in China, consolidating all the items of your orders from our different factories into one shipment. We make it easy for you and save your valuable time.

WP Petroleum (Shanghai) Ltd.

Why do you choose us:

- Worldwide Presence
- Valued Partnership
- Orders Consolidation
- ✓ Strict Quality Control System
- Efficient Logistical Network

Strict Quality Control System

- WPP implements a strict quality control system among its manufacturing units. Our in-house rigorous inspection standards and procedures follow up the whole production process to ensure the product quality as per the industry international standards.
- WPP also systematically uses the service of **the Intertek Moody Group** to undertake a third party inspection of all the products before delivery.
